MEMORANDUM

TO: District Construction Engineers
The Contracting Community

FROM: Beau Hoyt, P.E., Assistant State Construction Engineer

Beau Hoyt 2023.05.31
15:36:19-04'00'

SUBJECT: RE: Thermoplastic specification revision for 2023 paving season

With regard to the May 25, 2023 Thermoplastic specification revision for 2023 paving season memorandum; the following material designation will be used in place of what has been previously stated.

- The material compliant with the **current** Supplemental Specification dated May 6, 2022 will be designated with a MS number to include “-22”
- The material compliant with the **previous** Supplemental Specification dated August 23, 2020 will be designated with a MS number to include “-20”

All other elements of the May 25, 2023 Memorandum remain as written.
